Please note that we are willing to make foster agreements for a limited duration (e.g., one week, two weeks) or until the dog has found a home. Foster families ARE allowed to fall in love with their guests and, as long as everything is going well, will be given first priority for adoption. You will also be allowed to have input into the adoptive home that is selected for your dog, and we have never placed a dog in a situation that the foster family does not feel comfortable with.

I acknowledge that all the information contained in this form is true and correct to the best of my knowledge. I understand that any misrepresentations of fact may result in the removal of the adopted dog from my home by Animal Shelter of Schoharie Valley.
